Scholarship Guidelines

1. Approved scholarships will be awarded in varying amounts, dependent on need and other scholarship criteria.
2. Scholarships will be awarded on an objective and nondiscriminatory basis.
3. The LCFSA Board of Directors will review all applications for scholarships and will notify applicants as quickly as possible once a decision has been made.
4. In the event a participant who has been awarded scholarship funds leaves the LCFSA club during the season, 100% of the scholarship award must be refunded to the LCFSA in order to remain in good standing with the LCFSA and the USFSA.
5. Scholarships are applied to a participant's balance. Participants must make all remaining payments as agreed upon payment schedule, or in their payment agreement signed in advance. Not remaining current and in good standing with the LCFSA for remaining balances, could result in revocation of awarded scholarship, at the discretion of the Board of Directors.
6. PLEASE NOTE: If you have an outstanding balance from the previous season, you are not eligible for a scholarship for the current season.
7. Scholarships can only be applied towards club ice, and may not be used for coaches fees.

Completed application must be submitted to the LCFSA Treasurer.
